Feedbacks

<http://site.goigi.me/oesacademy.co.uk/admin/index.php>
The box where the login is should be more opaque (less transparent).

<http://site.goigi.me/oesacademy.co.uk/admin/dashboard.php>
On the dashboard there should be some shortcut panels (e.g. latest transactions, or enquiries , etc. to be chosen).

More feedback when part of this document is implemented and bugs are fixed.
